Roosevelt students and staff are fortunate to have two library systems on campus. While each library has its own circulation requirements and hours, members of each staff may assist patrons with circulation questions.

School Library Hours  8 A.M to 4:15 PM, Monday through Friday

Students will need their Roosevelt photo ID cards and staff members will need their employee badges to check out materials from the Roosevelt H.S. collection.

Public Library Hours  10:00 AM to 6 PM, Friday, Saturday, Sunday
                     Noon to 8 PM, Tuesday, Wednesday, Thursday

Most of the public librarians have school library experience and can answer your questions when the school librarian is teaching. Roosevelt students and staff members will need to procure SAPL library cards to check out SAPL materials. Students are prohibited from checking out CDs and DVD’s until after 4:15 PM. Staff members may check out materials at any time.

Please call on me for assistance!

As the School Librarian, my goals are to support instruction in the areas of greatest need, promote literacy, and promote lifelong problem solving and 21st Century skills for our students.

In addition to teaching students how to safely navigate online, I also believe students need experience evaluating sources, synthesizing information, and using technology tools to create, share, and publish their work.

Please feel free to call me at (210) 356-2302, email me at lperez3@neisd.net, or stop by the library to discuss your instructional needs.
