Birthday Book Club

Would you like to honor your child on his/her birthday and help the library program as well? You may dedicate a book to the library in your child’s name. The cost is $10.00. And since treats are no longer allowed on birthdays, this is a great way for your child to be recognized on his/her birthday. Please make your check payable to Woodstone Elementary.

Here’s how it works:

1. Return the form on the back indicating your desire to participate in the Birthday Book Club. You can also send cash or a check at this time as well.
   
   donation by the Romine family in honor of Sara Romine
   
   Be sure to write how you would like the “Donated by” wording

2. A few weeks before your child’s birthday, the library will have your child come by and pick out his/her special book.

3. On the day of your child’s birthday, I will make a special presentation to your child in his/her class. The book will have a special dedication plate on the inside cover and your child will be the first to check out this special book.

4. I will also take a special photo of your child with the book and place it on a bulletin board display showing your child’s special contribution to the library.

Thanks for supporting the Woodstone library program in this special way. If you have any question please call the library at 407-9865

Sara Romine
Librarian
Birthday Book Club

- [ ] Yes, I’d like to participate
- [ ] Please send me a reminder a few weeks before my child’s birthday
