Program Guidelines

1. Schools must have an enrollment of at least 200 students to participate.

2. Only Grades K through 5 are eligible for the Waves of Pages program.

3. Each school must designate one coordinator to act as the administrator and contact person for the reading program. The coordinator can be an administrator, teacher, librarian or parent volunteer.

4. Program Coordinators
   o You must register your school in order to participate in the Waves of Pages program. Go to www.schlitterbahn.com/partners/read, choose your local park, then fill in the online form, and click OK. The number of participating schools is limited, and all registrations are subject to approval by Schlitterbahn.
   o Share the program details with the teachers and distribute the Teacher and Student Materials to them.
   o Collect all Class Summaries from the teachers, compile the data on the School Summary, and submit all Class Summary and School Summary forms to Schlitterbahn Group Sales by the first of March. Please keep a copy for your records.
   o Verify the ticket order and distribute the Waves of Pages tickets prior to the end of April.
   o The coordinator will receive a free ticket, along with a family discount.

5. Students
   o Read anything 10 hours (600 minutes) outside of their normal curriculum and homework assignments.
   o Students may read materials to themselves, read aloud to someone, or have an adult read to them.

6. Parents or Guardians
   o Fill out all Reading Log entries completely and correctly. A parent or guardian must date and initial each Reading Log entry to validate participation.
   o Return all Reading Logs to the teacher by the deadline assigned on the Reading Log to qualify for a complimentary student ticket and family discount. We do not accept late Reading Log submissions, so be sure to meet the deadline information from the teacher.

7. Teachers
   o Share the program details to their students and distribute the Student Materials and deadline.
   o Fill out a Class Summary with the names of their qualifying students, and return it to the Program Coordinator by the assigned deadline.
   o Keep the Student Logs for your records and for ticket distribution.
   o Distribute the student tickets prior to the end of April.
   o One teacher from each participating classroom will also receive a FREE ticket.

8. Waves of Pages Tickets
   o Are valid any regularly scheduled operating day from Opening Day 2019 thru June 30, 2019 at Schlitterbahn Waterpark New Braunfels only. Visit www.schlitterbahn.com for additional information.
   o Are not transferable and cannot be sold. They may only be used by the students who earned them.
   o May not be used for school group field trips.
   o Will not be replaced if expired, lost or damaged.

9. Waves of Pages Family Discount
   o Students who complete the program receive a FREE waterpark admission along with a special discount offer for family and friends.
